

Thank you for your purchase from Show Your Jugs powered by Vermont Chalky Paint. A portion of your purchase will help the cancer patient support groups in the communities we serve. We cherish your memory - please snap a picture of your jug and #ShowYourJugs on social media so that we can celebrate your loved one's life and bring hope to others who face the challenge of cancer. Simply print this on Vellum paper, cut out and hot glue seams for best results.
